	72.81	CASSAVA BROWN LEAF SPOT	1	12691242030	Thailand, Banisilan, North Cotabato, (REGION XII)

RECOMMENDATIONS

- Alert staff to monitor nearby areas with high infestations of recorded pest.
- Give technical assistance and disseminate pest advisories to farmers.
- Information campaign thru multimedia, distribution of IEC materials
- Regular and on-time validation should be done by Regional data managers to avoid delayed reflection of data to the system.
